

European Economic Integration

EEI/Lecture-seminar 2

Prague University of Economics and Business

European Council simulation

- 27.4.2026
- (The first class during the next week)

Individual research task

- Study the position of the country that you represent
- Try to understand the background and the priorities of the country on the issue
- Prepare some arguments that you can use in defending your position
- Be ready to react to different proposals when seeking a compromise
- Seek partners/potential coalition
- Do not discuss your position with other countries in the meantime

Sources of information

- Historical texts (media, academic papers)
- Statements of officials on the topic
- Official positions of the country

European institutions

- European Council (its President)
 - Leads the Summit and seeks compromise among the countries
 - Works in closer cooperation with the President of the European Commission
 - Sets the schedule and working programme for inputs of the member states
 - Oversees discussions among countries (similar interests, regional and other coalitions); steers the countries into a consensus
 - Prepares conclusions; a vote

Technical details

- Choose a country
- The position of the country is available to you in print

Schedule

- Select the country that you will represent; study the position and prepare arguments
- Class on the 27th of April 2026: ~90 minutes
 - Welcome word by the Council President
 - Reactions and proposals
 - Informal discussions among the countries
 - Seeking a common approach (i.e., a consensus) and addressing the issue
 - Drafting the Council's high-level plan (political, socio-economic)
 - Preparing written conclusions; a vote

Position summary

- A short summary of the country's position on the migration issue
- Own commentary on the country's approach and how it's been reflected in the EUCO's conclusions
- Total limit: up to 2 pages (max.!)
- Deadline: 4.5.2026 23:59 (submit via Insis)
